

ADULT REDEPLOY ILLINOIS

ADULT REDEPLOY ILLINOIS – SFY17 Site descriptions & contacts

Each Adult Redeploy Illinois (ARI) site is unique, designed and controlled by local stakeholders. Thirty-nine funded diversion programs at 20 sites cover 39 counties, and include problem-solving courts (drug courts, mental health courts, veterans treatment tracks) and intensive supervision probation with services programs for different target populations. Brief descriptions and contact information for each of the sites follow.

2nd JUDICIAL CIRCUIT became an ARI site in July 2013 to expand its drug court model circuit-wide, including Crawford County (an ARI site since November 2012). As of February 2016, twelve counties in the vast 2nd Judicial Circuit operate a county drug court administered by a Specialty Courts Program Coordinator. Operated out of the 2nd Judicial Circuit Court Services Department, the drug courts integrate risk assessments, clinical assessments, efficient drug testing, a mental health court planning initiative, and a circuit-wide evaluation component. The circuit-wide program is a partnership between the 2nd Judicial Circuit Specialty Courts Committee; and other local/community organizations.

Program contact:

Judge Stephen Sawyer (Ret.), Director of Specialty Courts, 2nd Judicial Circuit
618-263-8776

sawyer.il2specialtycourt@gmail.com

4th JUDICIAL CIRCUIT became an ARI site in July 2013. ARI funding is being used for mental health courts with a veterans treatment track in two of the nine counties in the circuit, Christian and Effingham Counties. Operated out of the Effingham County Probation Department, the Fourth Judicial Circuit program consists of mental health treatment services such as psychiatric evaluations, medication stabilization, and individual and group counseling. A partnership with a Veteran Justice Outreach Specialist at the Veterans Administration assists to implement a specialized veteran's treatment track. Effingham County implements a community restorative program, Communities Restoring Wellness (CRW), at a local treatment provider, The Wellness Loft. Partners include Effingham County Probation Department, Christian County Probation Department, Effingham County State's Attorney's Office, Effingham County Public Defender's Office, Christian County Sheriff's Office, Effingham County drug court judge, Christian County drug court judge, and other community providers.

cmeyers@co.effingham.il.us

9th JUDICIAL CIRCUIT received ARI funding in July 2013 to expand its drug court model to cover the six counties in the circuit, including Knox (an ARI site since April 2011), Fulton (an ARI site since July 2011) and McDonough (since January 2013). The drug court model consists of dedicated probation officers with the ability to work non-traditional hours, increased access to substance abuse treatment, and cognitive behavioral therapy (*Thinking for a Change*). The circuit-wide model, administered by a coordinator, is a partnership between the 9th Judicial Circuit Court Services; presiding drug court judges in Fulton, Knox, and McDonough counties; State's Attorney's Offices in Fulton, Knox, and McDonough counties; Fulton County Public Defender's Office; contractual drug court attorneys; and other community partners.

20th JUDICIAL CIRCUIT – THREE PROGRAMS

MONROE COUNTY became an ARI site in February 2015 to implement a high-risk behavioral health docket in Monroe County, a behavioral health docket with enhanced services through a partnership with Human Support Services. The Monroe County program consists of expanded treatment, expanded cognitive behavioral therapy, case management, ancillary services and a community restorative board.

RANDOLPH COUNTY became an ARI site in February 2015 to implement the Second Chance Citizen Reentry Program in Randolph County, a behavioral health program. The Randolph County program will consist of a four-phase 12-month employment program, *Moral Reconciliation Therapy*, and community service. Operated out of the 20th Judicial Circuit Court Services Department, the programs are a partnership between Monroe County Probation, Monroe County State's Attorney's Office, Human Support Services, Randolph County Probation, Human Support services and other community partners.

ST. CLAIR COUNTY was one of the original ARI sites in January 2011 and utilizes funding for its intensive probation supervision program for mentally ill non-violent offenders. The program provides reduced caseloads, cognitive behavioral therapy, trauma therapy, dual-disorder treatment, and a community restorative element, as well as counseling, drug treatment, medication assistance, and transitional housing. Operating out of the probation department, the St. Clair County ARI program works with a jail crisis worker to identify potential participants who have serious mental illnesses that may be underlying their criminal behavior. Partners include 20th Judicial Circuit judiciary, 20th Judicial Circuit Court Services and Probation Department, St. Clair County Mental Health Board, and other community partners.

COOK COUNTY ARI – TWO PROGRAMS, ONE GRANT:

COOK COUNTY ARI (HOPE program) became an ARI site in October 2011 to establish a probation violation program, based on Hawaii's evidence-based Honest Opportunity Probation with Enforcement (HOPE) program. A partnership among the Circuit Court of Cook County, Cook County Adult Probation Department, State's Attorney's Office, Public Defender's Office, Sheriff's Office, and coordinated by Office of the Chief Judge, this program emphasizes swift, certain, and predictable sanctions for probation violations, while increasing access to supportive services including cognitive behavioral and trauma therapy.

COOK COUNTY ACCESS TO COMMUNITY TREATMENT (ACT) COURT received a planning grant in SFY13 to plan and create the Access to Community Treatment (ACT) Court targeting prison-bound offenders with identified substance abuse treatment needs. The program began in October 2013 and emphasizes rapid access to community-based treatment, enrollment in the CountyCare (via Medicaid expansion), integration of court supervision and community-based treatment, and planning for new case management technology. Governed by a steering committee, the program is a partnership between the Circuit Court of Cook County, Cook County Public Defender's Office, Cook County State's Attorney's Office, Cook County Adult Probation Department, Treatment Alternatives for Safe Communities, Inc. (TASC), community treatment providers, and local and national court consultants.

jcpo@jerseycounty-il.us

LAKE COUNTY became an ARI site in October 2013 using funding to enhance its problem-solving courts with recovery coaching, residential substance abuse treatment, cognitive behavioral therapy (*Moral Reconation Therapy*), and recovery home placements. The enhancements target high-risk, prison-bound offenders within the Lake County drug, mental health and veteran's courts. The program is a partnership between the 19th Judicial Circuit Court – Division of Adult Probation, Lake County State's Attorney's Office, Lake County Public Defender's Office, Lake County Health Department, Lake County Jail, and other community partners.

Program contact:

Rosemarie Gray, Director, Lake County Adult Probation
847-377-3686
rgray@lakecountyil.gov

LASALLE COUNTY became an ARI site in October 2013 to create an intensive probation supervision program for offenders violating the conditions of their probation and in need of additional services. Operated out of the 13th Judicial Circuit Probation and Court Services Department, the program includes reduced probation caseloads, cognitive behavioral therapy (*Moral Reconation Therapy*), swift sanctions and incentives, increased access to substance abuse treatment, and employment training. The program is a partnership between the 13th Judicial Circuit Probation and Court Services Department, LaSalle County State's Attorney's Office, and other community partners.

Program contact:

William Pfalzgraf, Director of Court Services, 13th Judicial Circuit
815-434-8668
bill-pfalzgraf@lasallecounty.com

MACON COUNTY was one of the first pilot ARI pilot sites in January 2011 establishing its intensive probation supervision with support services program. Led by the Macon County State's Attorney's Office, this program is operated by a multi-disciplinary team including probation, the State's Attorney, the Public Defender, and local service providers Behavioral Interventions and Heritage Behavioral Health Center, Inc. Vital aspects of this model are the incorporation of a Community Restorative Board and *Moral Reconation Therapy*.

Program contact:

Keyria Rodgers, ARI Grant Administrator, Macon County State's Attorney's Office
217-424-1400
krodgers@sa-macon-il.us

MADISON COUNTY became an ARI site in July 2011 to fund its problem-solving court enhancement program. Funds provide comprehensive assessments and services within the county's drug, mental health and veterans courts. Operated out of the probation department, the Madison County ARI program works with the judiciary, State's Attorney's Office, Public Defender's Office, Veterans Assistance Commission, and local providers to expand services and provide interdisciplinary team training.

Program contact:

Craig Cooper, Operations and Financial manager, Madison County Probation and Court Services
618-296-5228
cacooper@co.madison.il.us

McLEAN COUNTY became an ARI site in July 2011 using funding for its intensive probation supervision with services program. Operated out of the probation department, the McLean County ARI program employs a spectrum of intermediate sanctions and responses to support probationer success such as cognitive behavioral therapy groups, advocacy/mentoring, job skills training, General Educational Development (GED) services, substance abuse and counseling, and electronic alcohol monitoring. Partners include McLean County Court Services, Chief Judge of the 11th Judicial Circuit, presiding criminal division judge of

the 11th Judicial Circuit, McLean County State's Attorney's Office, McLean County Office of the Public Defender, and other community partners.

Program contact:

Elizabeth Barnhart, ARI Grants Manager, McLean County Court Services
309-434-6669
elizabeth.barnhart@mcleancountyil.gov

PEORIA COUNTY became an ARI site in July 2013 establishing an intensive probation supervision program with services. Operated out of the Peoria County Probation and Court Services Department, the program includes reduced probation caseloads, efficient and rapid drug monitoring, cognitive behavioral therapy (*Thinking for a Change*), substance abuse treatment, education and job training, and community service. Partners include the Chief Judge of the 10th Judicial Circuit, Peoria County State's Attorney's Office, Peoria County Office of the Public Defender, Peoria County Office of Probation and Court Services, and local community agencies.

Program contact:

Robert Askins, ARI Coordinator, Peoria County Probation and Court Services
309-495-5174
raskins@peoriacounty.org

SANGAMON COUNTY became an ARI site in July 2013 to expand and enhance its drug court. Operated out of the Sangamon County Court Services Department, the Sangamon County ARI program incorporates assessment practices to target high-risk and high-need offenders, cognitive behavioral therapy, substance abuse treatment, and community partnerships to provide housing and employment services. Partners include the drug court judge, Sangamon County State's Attorney's Office, Sangamon County Public Defender's Office, defense bar, Adult Services – Sangamon County Court Services Department, and other local community agencies.

Program contact:

Michael Torchia, Director, Sangamon County Court Services

miket@co.sangamon.il.us

WILL COUNTY became an ARI site in February 2015 to enhance and expand the current problem-solving courts (drug, veterans, mental health), and create a new ARI docket for individuals with identified risk and needs but without substance abuse or mental health needs. Operated out of the Will County State's Attorney's Office, the Will County ARI program consists of expanded capacity for drug and mental health treatment, cognitive behavioral treatment, case management, employment support, and supervision. The program is a partnership between the Will County State's Attorney's Office, Will County Public Defender's Office, Will County Adult Probation Office, Will County Health Department, 12th Judicial District Judiciary, Joliet Police Department, and other local treatment providers.

Program contact:

Julie Sterr, Drug/Mental Health Court Coordinator, Will County State's Attorney's Office
815-774-7852
jmccabe@willcountyillinois.com

WINNEBAGO COUNTY became an ARI site in October 2011 to support its enhanced drug court. The county received additional funding in October 2013 for specific components of its mental health court, known as the Therapeutic Intervention Program (TIP) Court. The Winnebago County ARI program engages in a team approach the judiciary, State's Attorney's Office, Public Defender's Office, probation department, and service providers including Treatment Alternatives for Safe Communities, Inc. (TASC), and Rosecrance. The program utilizes evidence-based practices in its problem-solving courts, such as increased drug testing, specialized probation officers, motivational interviewing, recovery coaching, trauma services, cognitive

behavioral therapy, family psycho-education, and increased access to residential substance abuse and behavioral health treatment.

New Sites – SFY17:

DEKALB COUNTY became an ARI site in July 2016 to create a mental health court to complement the existing Drug/DUI court model. As a National Drug Court Institute (NDCI) recognized mentor court, the DeKalb County treatment court team follows existing evidence based standards. The current team consists of the: DeKalb County Presiding Judge, DeKalb County State’s Attorney, Public Defender, Coordinator, research and evaluation team members, Probation Officer, Clinical Counselor, DeKalb County Jail Sergeant and Community Recovery member. The DeKalb County Mental Health Court was certified by the Administrative Office of Illinois Courts (AOIC) in March 2017.

Program contact:

Mike Douglas, Treatment Courts Director, DeKalb County
815-895-7224
mdouglas@dekalbcounty.org

KENDALL COUNTY became an ARI site in July 2016 to start a new drug court and the first problem solving court in Kendall County. The Kendall County Drug Court includes evidence-based practices to create an individualized case management plan built around the risks, needs and assets of the defendant. The team includes a drug court judge, a drug court coordinator, and a probation officer. The program partners with the Kendall County Health Department to provide substance abuse treatment using evidence-based practices such as cognitive behavioral therapy. The Kendall County Drug Court was certified by the AOIC in November 2016.

Program contact:

Michelle Del Muro, Drug Court Coordinator, Kendall County
